Feeding Guidelines

Begin with 1 scoop per 25 lbs. of body weight. Double the dosage for especially dry skin, hot spots or mange.

<i>Dog's Weight</i>	<i>Amount</i>
Up to 24 lbs	1/2 scoop
25 to 49 lbs	1 scoop
50 to 74 lbs	2 scoops
Over 75 lbs	3 scoops

Show Stopper improves your dog's coat, muscle, and joint health. It will do exactly what the name states, by giving your dog a gorgeous coat, solid physique, rock-solid joints, and boundless energy that are so striking your dog literally "stops the show"! No matter how shiny your dog's coat is now, no matter how exotic or basic his daily diet is, **Show Stopper** will help your dog look even better. At the same time his body will become more solid and muscular. If your dog has dry skin or hot spots, the changes are even more dramatic. **Show Stopper** is made with human-grade ingredients and combines today's best natural supplements in a single delicious, money-saving formula.
